

Sunday Morning Small Groups

At Lake Martin Baptist, Small Groups are essential to connecting people to one another and to God. In each small group, people study God's Word together and are in a small enough environment to discuss the issues and challenges of life. It's also where they pray, care for one another, and are missed if they don't show up. It's also the place at LMBC where evangelism happens in a real way.

As we grow larger, we grow smaller at the same time. We believe that every person needs a community of friends who love them and accept them for who they are. That's why we place such a high premium on small groups. At LMBC, if you aren't involved in a Small Group, you're only getting a limited part of the picture! Below are the current on-campus groups we offer.
